

# IMPORTANT INFORMATION & NUMBERS

**Dr. Schniederjan & Dr. Neichoy**

**Office Number (806) 677-7952**

- If you experience a medical emergency at any time, you should call 911 or go to the emergency room and notify Panhandle Weight Loss as soon as possible. If possible, return to the Emergency Room at the facility you had surgery.
- During normal business hours, if you are experiencing a non-emergent post-operative complication or think you need to be seen in the clinic, please call our office at 806-677-7952.
- If you are having a medical problem or go to the emergency room after normal business hours, please call our office immediately and notify the answering service. The on-call physician will immediately be called. There are many medical personnel that are unfamiliar with weight loss surgery and serious errors in treatment could occur, therefore it is crucial that we be notified of any emergency.
- ***Notify any medical personnel about your bariatric surgery before they treat you, especially if they plan on inserting a stomach tube for any reason!***
